

Pricing Guide for General Unpowered Items

Examples

- Furniture (chairs, desks, couches, etc)
- Lamps
- Hand tools
- Unpowered toys (Legos, dolls, puzzles, etc)
- Cookware
- Kitchen items (unpowered)
- Lawn & garden (unpowered)
- Books

Our pricing for unpowered, non-clothing items uses the following guidelines. For powered (electronic or gas) and clothing items please [ask for a quote](#).

Three factors determine the price for General Unpowered Items:

- Size & weight of item
- Complexity (high part count / complex features)
- Will it take more than 1 person to unpack, inspect / test, and then repack the item?

Complexity	Service Charge	Handling Charge	Example Products
Standard size			
Low	\$2	\$0.60	Frying pan, water hose, desk lamp
High	\$4-7	\$0.60	Set of knives, Lego toy, text book, set of books
Large (any dimension greater than 18" or more than 20lbs)			
Low	\$2	\$1.20	Folding chair, golf club, picture frame
High	\$4-7	\$1.20	Small furniture kit (shelf), pot & pan set
Oversize (requires 2 people)			
Low	\$10	\$5.00*	Table, book shelf
High	\$15-20	\$5.00*	Recliner, furniture kit, office desk

Handling charges are waived for Standard and Large items which can be restored to sellable condition upon completion of service.

*: Handling charges are not waived for Oversize items.
